

Modern cross stitch pattern

Constellation Libra

Good day, dear friend!

My name is Maria and I'm glad you got my cross stitch pattern. I hope that the embroidery process will take you only positive emotions, and the finished embroidery will delight you or will be a wonderful gift for your loved ones.

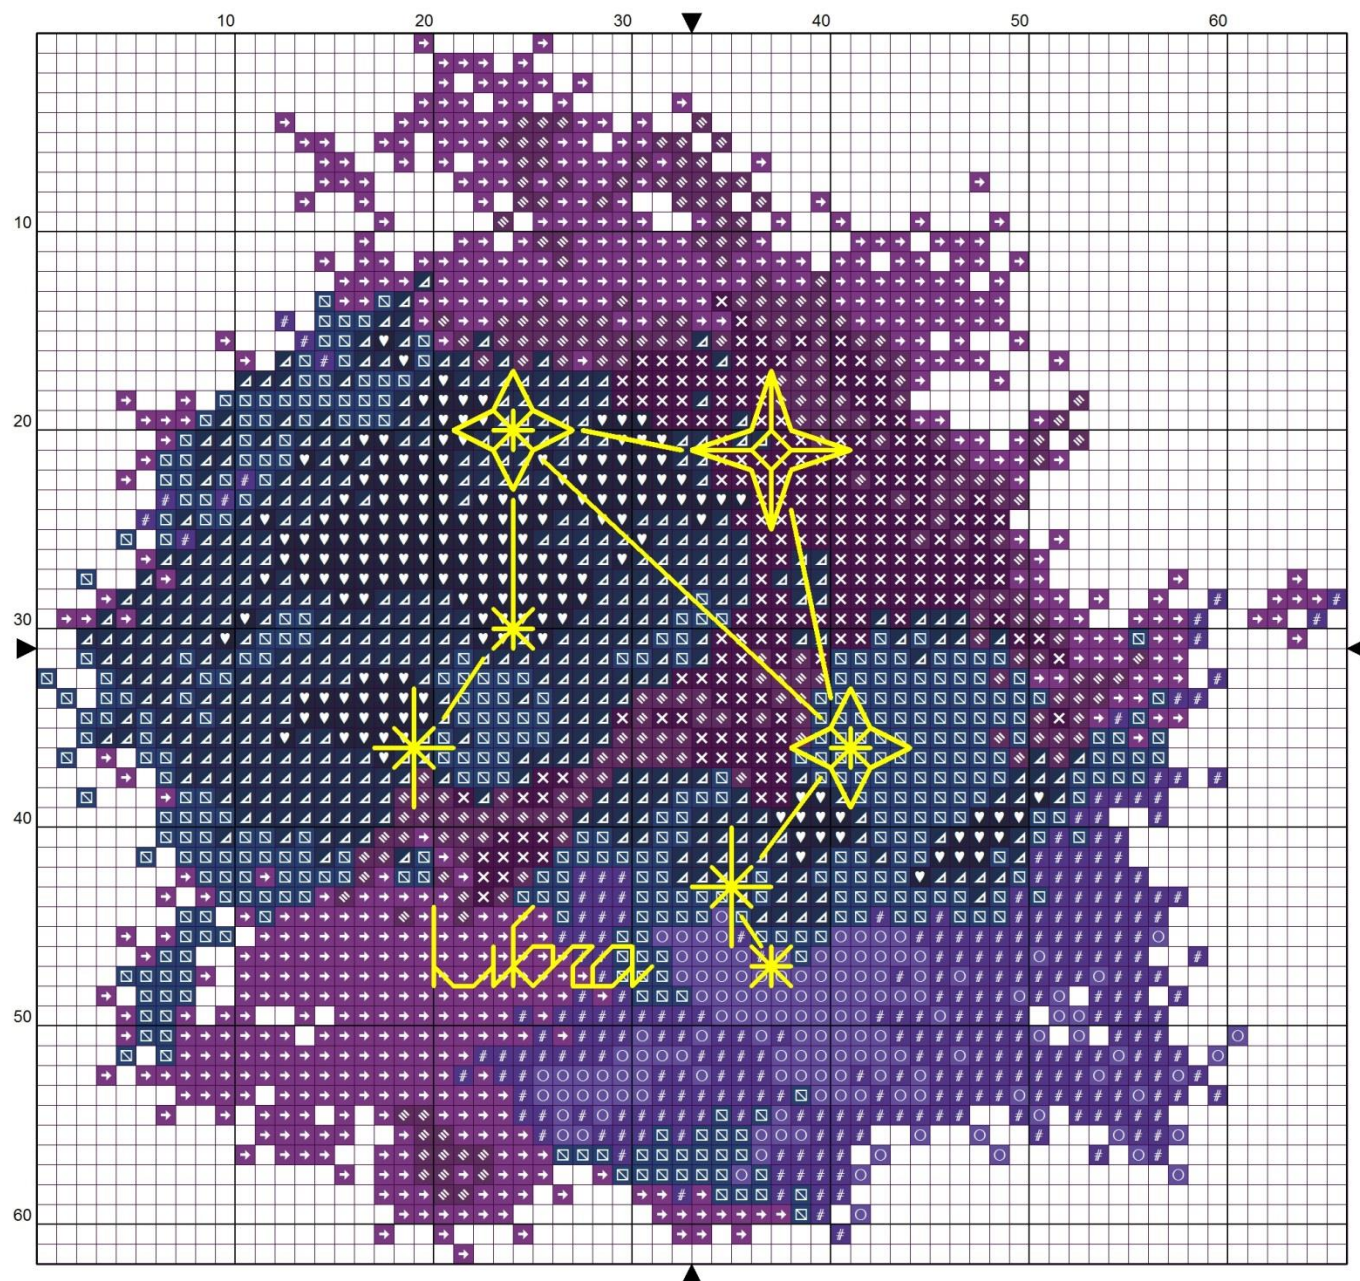

Constellation Libra cross stitch pattern. This design look great in modern interior. And also it can become a wonderful gift. It is easy cross stitch and you will get maximum enjoyment from the process.

You can make ready-made embroidery in a frame or hoop 6x6".

I will be glad to see you in my store again  
([MariBoriEmbroidery.etsy.com](https://MariBoriEmbroidery.etsy.com)).

I wish you a happy stitching and peace to your home!
